2017 Annual Symposium Orientation

10/26/2017

Sponsored by Trialx App Bakery
AMIA is the professional home for more than 5,400 informatics professionals, representing frontline clinicians, researchers, public health experts and educators who bring meaning to data, manage information and generate new knowledge across the research and healthcare enterprise.

Neil Sarkar, PhD, MLIS, FACMI
Brown University
Chair, 2017 Scientific Program Committee

Jeff Williamson
AMIA
Vice President, Education and Academic Affairs

Rob Rader
AMIA
Director of Member Services
Overview

What we will cover...

• Scientific Program
• Keynotes
• Pre-conference events
• Working Groups/Committees
• Logistics
• Learning Showcase
• Social Program
• Social Media

www.amia.org/amia2017
AMIA 2017 will be primarily organized around the five major areas of biomedical informatics, which reflect the spectrum of biomedical research and practice, from molecules to populations.

- Translational Bioinformatics
- Clinical Research Informatics
- Clinical Informatics
- Consumer Health Informatics
- Public Health Informatics
Keynotes

Opening Keynote Speaker

Eric Dishman  @ericdishman
Eric Dishman is the Director of the All of Us Research Program at the National Institutes of Health. In this role, he leads efforts to build a research cohort of one million U.S. participants to advance precision medicine.

Previously, Dishman was an Intel Fellow and Vice President of the Health and Life Sciences Group at Intel Corporation, where he was responsible for driving Intel’s cross-business strategy, research and development, and product and policy initiatives for health and life science solutions.

Closing Keynote Speaker

Chris Wiggins, PhD  @chrishwiggins
Chris Wiggins is an associate professor of applied mathematics at Columbia University and the Chief Data Scientist at The New York Times.

At Columbia he is a founding member of the executive committee of the Data Science Institute, and of the Department of Systems Biology, and is affiliated faculty in Statistics.
Pre-symposium Workshops

- **Collaborative Workshops** are intended to encourage participation and collaboration using mechanisms such as discussion forums (e.g., shorter didactic presentations or panels followed by group discussions), research forums (e.g., presentations and discussions related to scientific advancements in a targeted areas of informatics innovation and practice), or a challenge/competition (e.g., individual or group submissions addressing a specific topic or scientific/technical challenge).

- **Instructional Workshops** include a combination of didactic and interactive content delivery, as well as participant interaction. They are designed to address the needs and interests of individuals at all levels of experience relative to the selected topic area(s), and are led by individuals with appropriate subject matter expertise.

https://www.amia.org/amia2017/workshops
Navigate AMIA Reception and Panel

1st Time Attendees/New Members/Students/Mentors/Mentees

- Navigate AMIA Reception & Panel - Georgetown Sunday 8PM to 10PM
  - 8:00 to 8:30 - Networking
  - 8:30 to 9:00 - Mentorship Panel
  - 9:00 to 10:00 - Networking & Great Prizes!

Network with your peers and AMIA's leaders
Expert panelists talk about their mentorship experiences
Have some fun and take home a souvenir with our green screen photo booth!
Navigate AMIA Center – Get Connected!

Come visit us!! Concourse level opposite registration

- **CV Review** Sign up for CV Review with informatics recruiters
- **Meet with AMIA staff** and leaders throughout the conference

Win a FitBit Blaze and other prizes when you:
- **Join/Renew** AMIA membership
- **Update** your AMIA profile
- **Join** one of 25 working groups
- **Become** a Mentor/Mentee
AMIA Working Groups serve as networks in which current members can exchange information on a particular area of special interest in biomedical and health informatics.

- Check the app for “of interest to” tags for all working groups
- WG Meetings (open to all)
  - Sunday 5:30 PM – 10PM
  - Monday 8PM – 10PM
  - Tuesday 5:30 PM – 9:30 PM

How can I get involved with a WG?
Find a working group that you are interested in and be sure to attend their face to face meeting. WGs can be found here:

https://www.amia.org/working-groups

Sunrise Sessions

Monday November 6
7:00 a.m. – 8:15 a.m.

NLM: A platform for discovery and a pathway for engagement

Patricia Flatley Brennan, RN, PhD
Director, National Library of Medicine
Interim Associate Director for Data Science
National Institutes of Health, US Department of Health and Human Services

Tuesday, November 7
7:00 a.m. – 8:15 a.m.

The ONC Update and Q & A

Don Rucker, MD
National Coordinator for Health Information Technology
U.S. Department of Health and Human Services

• Opens Friday 3:00 PM – 6:00 PM
• Print your own badge
• Pick up your program
• No Bags
• Don’t forget Ribbons!!
Registration

• Step 1: Scan your QR Code or enter your last name

Dear Rob Rader,

Thank you for registering for the AMIA 2017 Annual Symposium, November 4 - 8, at the Washington Hilton in Washington DC.

Registration — fast and easy!

AMIA ExpressPass Badge ID: 123456

View from Mobile Device

This is your unique QR code identifying your registration. Print and save this message and/or save to your mobile device to ensure a speedy check-in and...
Registration

• Step 2: Your badge will print automatically with appropriate tickets.
Step 3: Pick up your pocket guide, badge holder and lanyard at one of 2 pick-up stations. You’re all set!
And don’t forget ribbons!!
AMIA 2017 Mobile App

https://amia2017.zerista.com/

Get ready for the biggest AMIA Annual Symposium yet. We are inviting you—informatics researchers, practitioners, professionals, students, trainees, patients, friends, and colleagues—to attend the AMIA 2017 Annual Symposium.

AMIA is a multi-disciplinary and interprofessional organization. No meeting captures the breadth and depth of informatics better than the AMIA Annual Symposium. Over the last 35 years, the use of informatics has grown exponentially to improve health and to make better healthcare decisions. Today, informatics is the key to accelerating the current goals of healthcare reform.

AMIA Annual Symposium actively supports research and practice in the five domains in informatics: translational bioinformatics, clinical research informatics, clinical informatics, consumer health informatics, and public health informatics.

Join our vibrant community of informatics professionals and students for a personal and professional educational experience of a lifetime. If it's about informatics... it's at AMIA 2017.
AMIA 2017 Mobile App

The AMIA 2017 Annual Symposium again will have a networking platform and mobile app. Connect and plan with personal profiles, interest tags, social media, direct messaging, note taking, and a customized schedule.

1. Check your email for an AMIA Meeting app invitation link
2. Download the AMIA Meeting app
3. Create your profile and select your interest tags (initial set-up is easier with laptop or tablet)

If you cannot find your AMIA Meeting app invitation…

• Contact AMIA staff at mail@amia.org or
• Come see us at registration and a staff member will be able to help you
Having trouble with the app? Here are some helpful links to assist you:

**User’s Guide:**

**Edit/Update your profile:** https://zerista.zendesk.com/hc/en-us/articles/205259289-Edit-Update-Your-Own-Profile
Handouts and Proceedings

- All Materials including presenter’s slides can be found in the app or online. Look for the paper clip next to sessions and sub sessions.
- Proceedings can be downloaded at http://knowledge.amia.org

Please note: while AMIA requests the slides for all sessions, not all presenters make their slides for download.
Learning Showcase & Exhibition Hall

Learning Showcase Education Track and Exhibition

- Learning Showcase
- **More than 60** Academic, Corporate, Government and Nonprofit exhibitors
- Exhibit Hall educational programming
- Job Board
Social Program

• Welcome Reception – Sunday 5PM, Columbia Hall
• Navigate AMIA - New Member/Student/1st Time Attendee reception and AMIA Mentorship Panel – Sunday 8PM to 10PM, Georgetown
• Women in Informatics Networking Event (WINE) – Sunday 9PM to 10:30 PM, McLellan’s Bar
• Networking Meet-up (Ticketed) – Monday 7:00PM to 9:00PM, Buffalo Billiards – 1330 19th St NW
• Dance Party Tuesday 9:00 PM to 11:45 PM; Lincoln East/Monroe
Continuing Education

- **CME/CE**
  - The American Medical Informatics Association designates this live activity for a maximum of 25.5 AMA PRA Category 1 Credit(s)™

- **ABPM Maintenance of Certification (MOC) Credit**
  - The American Board of Preventive Medicine has reviewed and approved this course for a maximum of 25.5 MOC LLSA credits. Approved MOC-II sessions will be posted on the AMIA website. [http://www.amia.org/amia2017/moc-ii-sessions](http://www.amia.org/amia2017/moc-ii-sessions)

**Deadline for claiming MOC-II credit is December 15, 2017**
• **CE For Nurses** Deadline for nursing CE credit request is December 15, 2017.
  • The Maryland Nurses Association is an accredited approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.
